

# **CET is Looking for footage!**

CET is looking for footage from your home videos of Kings Island. Specifically we are looking for the following footage:

## **Old Hanna-Barbera rides and attractions like:**

Caldron ride, Bedrock Bumpers, Sky ride, Smurfs Enchanted Voyage

## **Oktoberfest rides and attractions like:**

The Rotor, The Flying Dutchman, Der Keggers (drunken barrels), Bayern Curve, and The Bavarian Beetle

## **Other attractions:**

Animal Safari

Timberwolf

Antique cars

Air show

Porpoise show

Train attacks

Shops in Rivertown

Photographs are nice but we would like to see footage the most. If possible, DVD would be the ideal format but CET can convert old tapes and footage if needed.

Thank you for your support!
